Pledge Amount (GST Inclusive): _____

1. Process

The association will update industry on the pledge amounts. If there is enough funding to proceed with an opinion the association will contact you to deposit your pledge amount into a legal opinion fund.

2. Legal Opinion

If an opinion is funded the final document will be made available to industry for its information.

3. QSIA Role

The association is responding to calls from members regarding the introduction of VMS and potential impacts on industry. QSIA will act as the administration and information point until an opinion is finalised.
