

Acknowledgements

The Queensland Seafood Industry Association (QSIA) would like to thank the individuals that helped make the biosecurity video project a reality and in particular Matthew Blyth, Alaneo Gloor (Millstream Productions) Paul Lalo (Soy Milk Animation), Gary Clark (Swamp Cartoons) and Craig Mann (Gold Coast Bulletin Cartoons). The Association is particularly grateful for the support and project management assistance provided by Matt and Alaneo throughout every stage of this project.

QSIA would also like to acknowledge the contributions of Dr Ben Diggles and Dr Stephen Wesche. Dr Matt Landos, Annie Jarret and Ingo Ernst provided feedback in the development of the project. The project has also been supported by staff from Biosecurity Queensland including Kerrod Beattie, Chris Hollingdrake and Maria Hauff.

This project could not have been delivered without the ongoing commitment of commercial harvest and post-harvest industry operators including Margaret, Graham and Jacob Stevenson, Elaine Lewthwaite, Brett Fuchs, Dr Renae Tobin, Dr Andrew Tobin, Nathan Rynn, Stephen Murphy, Neil, Leanne and Sienna Green, Richard Hamilton, Scott Hodgetts, James Maher, Paul Grunske, Peter Anderson, David Swindells, Michal Wilkinson, Marshall Betzel and Neil Moretto.

Finally, the Association would like to thank FRDC for their financial assistance, without which this project would not have been possible.
